**MAINTENANCE WORKS
AND LIFT UPDATE**

Aastha took on the role of Business Manager back in November '21. It has been a busy first few months for her at Community House.

Aastha says 'I'm keen to meet and discuss any thoughts for improving facilities in Community House with all our building users, and have already met with many of our tenants and room hirers so this is my top priority for the first part of 2022'

We wish Aastha every success!

In Memory of Helen Aitchison - Community House Art Exhibition

Community House have decided that the very best way of remembering our dear friend and colleague Helen is by arranging an art exhibition. Helen thoroughly enjoyed a previous art exhibition held at Community House back in 2018. It was a resounding success! Here are some photos....

Details of the 2022 exhibition to follow!

Financial report 2021

'We are pleased to announce that our 2021 initial results are showing a small surplus. In these difficult times it has been a struggle for many and we are pleased to have not made a loss! Final details will be released once accounts have been verified.

AGM 2022

We will be holding our AGM in June '22, ideally in person - details to follow.

Building Maintenance and Lift Update

Building Maintenance - there is a new system for us notifying major repair and maintenance issues direct to LB Bromley which seems to be working well, so please flag them to us as they may occur.

Lift - Excellent news! The lift is now fully operational after its full rebuild.

Thank you to all building users for their forbearance over the past months.

As ever, please continue to feedback about any aspect of life at Community House that you have at:
