MAINTENANCE WORKS
AND LEASE UPDATE

Helen Aitchison

As you are aware our amazing friend and colleague Helen passed away in September following a long fight against cancer that she had fought bravely and with her usual humour.

We will be considering the most appropriate way to remember her within Community House but in the interim please don't forget that if anyone wishes to make a donation in memory of Helen, her family have set up Tribute pages on St Christopher's Hospice website at <https://helenaitchison.muchloved.com> or Cancer Research website at: <https://fundraise.cancerresearchuk.org/page/hennies-tribute-page>

David Connolly

After over 20 years' service to Community House, initially as one of the founding fundraising committee members at the turn of the century, David has stepped down as a Trustee on the Board of Bromley Sector Trust, our guiding board.

We are enormously grateful for everything he has done over the years to help make Community House the thriving concern it is today.

Community House Cafe

'Our fabulous Café is getting busier and busier but relies partly on the support of all those working at Community House also so don't forget them when you need a drink, snack or lunch as their prices are competitive and you will be helping a fellow charity.

Check out the link to their menu to see what we mean

Hybrid Meetings With Video Conferencing

If you have a meeting where some attendees can or want to attend in person whilst other can't or would prefer not to, what can you do?

By using the new facilities we have at Community House including a wall mounted 50 inch Colour TV, camera and microphone/speaker you can have the best of both worlds and hold your 'Hybrid' meeting in comfort.

Ring or pop in to see one of our staff to find out more

Building Maintenance, Lift and Lease Update

Building Maintenance - there is a new system of us notifying issues direct to LBB which seems to be working at present. We have re-notified LBB of previous outstanding issues.

Lift - we are still awaiting the date when the agreed refurbishment, signed off by LBB, will take place.

Lease - we are on the final straight in our quest to obtain a new lease from LBB which has been agreed in principle, but things are not finished yet.

Watch this space!

As ever, please continue to feedback about any aspect of life at Community House that you have at:
